

Formerly Ovation Products Corporation

August 6, 2007

OVATION PRODUCTS HAS CHANGED ITS NAME

Dear Friends and Partners,

We are pleased to announce that Ovation Products has changed its name: we are now ZanAqua Technologies, Inc.

Our proposed name change was enthusiastically supported by our shareholders, and was significant in distinguishing ourselves in the water purification market. This name change marks a pivotal point in our Company's life cycle, as we move towards production and commercialization after the long and sometimes difficult development effort that was required to bring such a revolutionary technology to market. We remain confident that our distiller, with its patented vapor-compression microdistillation technology, will play a crucial role in the ongoing challenge to bring clean water to people around the world.

Please make a note of our new name in your files, and at the same time ensure that you have our current Hudson NH address on file as well. Be sure to take a minute to check out our new corporate website at www.zanaqua.com.

As always, thank you for your continued support and loyalty.

Sincerely,

A handwritten signature in black ink, appearing to read "CJC", is written over a faint, large watermark of the word "OVATION" in the background.

Christine J. Cox
Chief Financial Officer
